

The undersigned confirms that the inventions as described and claimed in U.S. Patent Application Publication 2004/0002550 and U.S. Patent Application Publication 2004/0116544 were commonly owned with the owner of the the invention described and claimed in this application when the invention was made.

It is believed that this application should now be allowed.

Respectfully submitted,

DYKEMA GOSSETT PLLC
